

Services for Investment Bankers

Who we are?

- A boutique M&A and business advisory firm
- A strong team having 10 - 15 years of experience working with Big 4 - Consulting firms
- Worked on more than **250+ M&A** transactions
- Offices in Mumbai and Pune

While we specialise in financial and tax **Buy-side Due Diligence** and **Vendor Due Diligence**, we have been providing strong **Vendor Assistance** support on **sell side transactions** under certain transaction situations.

Do think of us to bring in efficiency in the sell side due diligence process

- **Carve-out financials:** Preparation of carved out financials, where Seller's finance team needs such support
- **Data room preparation:** Prepare financial info for the data room where Seller's finance team needs bandwidth optimisation
- **CFO support:** Provide CFO support for transactions where the Seller does not have a CFO to manage due diligence process
- **Lack of robust financials:** Conduct pre-diligence work to identify potential areas of concern for better preparedness
- **IM and business plan:** Support Investment Bankers in preparation of information memorandum and business plan for optimal resources utilization

Why us?

- Highly experienced professionals
- Problem solving and solutions driven approach
- Team focussed on your business needs
- Strive to work as trusted advisors
- One stop solution shop
