

Stressed Assets – Investors, Asset Reconstruction Companies, Corporates, etc.

Clearview Consulting Partners LLP is a boutique **M&A and business advisory** firm.

Founded by a team of Chartered Accountants who have several years of experience working with **Big 4 consulting firms**. This has equipped us with insights into various business aspects such as business analyses, management information systems, accounting, taxation, finance and compliances.

With this experience, we offer certain support services in matters of Stressed Assets opportunities

Our service offerings

- High level financial due diligence to assess status of affairs of the Corporate debtor
- Sourcing of Stressed Assets transactions.
- Preparation of Information Memorandum ('IM')
- Valuation of assets and business on a going concern or liquidation basis
- Transaction support in due diligence, prepare data room, documentation and structuring, negotiation support, etc.
- Assistance in financial and accounting matters during the resolution process. E.g. CFO services, analyses and collation of financial information, evaluation and comparison of resolution plans, bidder evaluation, etc.
- Determine liquidation value of assets, prepare preliminary asset memorandum and sale report.
- Co-ordinate efforts of other advisors including legal, transaction audit (if any), etc.

Why us?

- Highly experienced professionals
- Problem solving and solutions driven approach
- Team focussed on your business needs
- Strive to work as trusted advisors
- One stop solution shop
