

Enterprise Support Services

Who we are?

- A boutique M&A and business advisory firm
- A strong team having 10 - 15 years of experience working with Big 4 - Consulting firms
- Worked on more than **250+ M&A** transactions
- Offices in Mumbai and Pune

Insights from such experience equips us with capabilities across the spectrum of business analyses, management information systems, accounting, taxation, finance and compliances. We play a role of a business partner rather than a mere managed services firm.

Our service offerings

Services are aimed to assist **Startups, Small and mid-sized entities, companies** and **new entrants in India market** with a single point source for accounting and tax compliance services.

This helps **optimize** the **management bandwidth** for core business activities. Areas of support offered covers:

- Accounting
- Financial reporting
- Tax and secretarial compliances and
- Control assurance

Why us?

- Highly experienced professionals
- Problem solving and solutions driven approach
- Team focussed on your business needs
- Strive to work as trusted advisors
- One stop solution shop
